

CALL FOR THE 19TH INTERNATIONAL MAY DAY VOLUNTEER WORK AND SOLIDARITY WITH CUBA BRIGADE.

(April 26th to May 9th, 2026)

"For Peace, Solidarity, and the Legacy of Fidel on his Centenary"

The Cuban Institute of Friendship with the Peoples (ICAP) and its travel agency Amistur Cuba S.A., inspired in the commemorations for the 65th Anniversary of ICAP's foundation and the 67th Anniversary of the Triumph of the Revolution, are pleased to call friends of Cuba from all over the world to participate in the 19th International May Day Brigade.

This edition, from April 26th to May 9th, 2026, has great deep and historical significance. It is specially dedicated to commemorate the Centennial of the Birth of our undefeated Commander in Chief, Fidel Castro Ruz, architect of the homeland's unity and dignity. The brigade stands as an act of internationalist reaffirmation on the occasion of International Workers' Day, a date symbolizing the historical struggle of the world's working class against exploitation and for social justice.

The brigade is designed to offer its participants a comprehensive and profound understanding of current Cuban reality. Through a structured program, participants will know about the advances of our social project, the ongoing transformations, and the creative resistance of the Cuban people in the face of the criminal economic, commercial, and financial blockade imposed by USA governments, intensified as never before by the current U.S. administration.

The program includes days of voluntary work, as a practical expression of solidarity and tribute to the value of liberating labor; meetings with representatives of political and mass organizations, institutions, and with the people, analyzing the challenges and achievements of Cuban society. Furthermore, visits to centers of historical, economic, cultural, and social interest in the provinces of Havana, Artemisa, and Cienfuegos are planned, which will allow to be aware of our national development.
